PETERS' PROCS

Howdy there, Redneck Shirts. Or is that Redshirted necks? Well, anyway you slice 'er, it's time to pack up the widder, your best pardners, and your favorite accoutrements and head on up (or down, as the case may be) to Bakersfield, for our 55th Annual Widder's Ball and Boot the Humbug Extravaganza.

Seein' as how we are in Bakersfield and country folk are an abundant commodity here, Humbug Erectus Luis Bouza has de-creed that our theme this year will be "A Redneck Prom." So take your Buck out and carve this date on whatever is handy – Saturday, January 30, 2016. Disheveled from a year in the Humbug's chair, Outgoing Poobah Jim "Bull's-eye" Bailey has nonetheless secured us the same great accommodations we've enjoyed the last few years at Homewood Suites in B-field. So mosey on over to www.peterlebeckecv.com and take advantage of PayPal to sign up. Of course, you can send in your rub by Pony Express if you like, but do it soon, as this backwoods bacchanal is limited to the first 100 goobers to sign up.

Now "what the hey" is a Redneck Prom, you may ask? Well, while we'll still be happy to see you in period dress or miner's getup, feel free to take that little leap of insanity as Redshirts so often do and get back to a country high school prom. Have Lurlene stuff herself into her best red gingham and get your black cowboy boots shined so your own redneck ensemble will be complete. We will be voting for a Redneck King and Queen Couple, along with a first runner up and second runner up couples; so put your best hayfoot forward and join this crowd. Mikee will be taking pics for the yearbook!

Class President Luis Bouza, being the put-together fella he is, has already gotten our year worked out. The Redneck Prom will be followed by a presentation to the Kern County Historical Society on March 19th. Shortly following that will be our Spring Doins April 22-24 in Tehachapi, and then a mere 6 months or so later we will rend the woods somewhere north of Kernville for the Fall Doins. Doubtless we will figure out some way to get together during the summer for a hootenanny of some sort.

Now we want all y'all that possibly can to show up for this Prom shindig, so consult your email, our website, and the enclosed material for all pertinent information regarding this hoedown. We want to get the Homewood up on its feet and dancing, and hopefully get Colonel Baker awake and shaking a fist at us from way up yonder.

Another important thing to note here is that we will be having our annual corporate meeting on Saturday morning at 10:00 prior to the festivities getting going. It is important for both the present and future of the Chapter that these meetings be attended by as many of the brethren as possible so that we may address all issues of concern and cast an eye toward the future. If you aren't part of the process, you don't have the right to whine!

Speaking of important things, during the holiday season (and after), it is important that you remember our troops and the sacrifices they make for us. Think how much fun your Christmas would be eating MREs in a tent in the desert, and spare a thought and/or prayer for those in service.

Now, in the spirit of the New Year, it is also time to think about kicking our Chapter up a redshirt or two. We all have friends we think would make good Clampers, so give a thought to bringin' a potential PBC to the Ball or to the next Doin's. You all know what it's like to become a proud member of this Ancient and Honorable Society. And with the kinder, gentler initiations of these days, what better time and place to introduce your pals to us? It's a good thing.

Once again, Donny Johnson and his lovely widder Jeanie coordinate your donations to the Bakersfield Women's Shelter for those in need. We would love to pass along your donations of travel sized soap, lotion, shampoo, etc. These little bottles from the 99 cent store or your hotel stays allow these women and their kids to maintain some dignity and are much appreciated.

The posse of Rednecks that form the PXL Officer Corps (or by next morning, possibly Officer Corpsicles) look forward to seeing you at the Prom!

Attention PXL Members and Gray Beards!
