

Brethren in Vitus –

It is my duty to announce that our XNGH, Joe “Roadrunner” Szot, has resigned as our Hawker and Gold Dust Receiver effective October 8, 2011. He has also retired from our Board of Graybeards. During his many years of service Joe has truly become “Mr. Peter Lebeck 1866,” having spent countless hours hawking at doin’s far and near, helping to keep our chapter financially viable and enabling us to put on the reasonably priced quality doin’s that Peter Lebeck has become famous for. I would like to take this opportunity to thank Joe for all of his past service to the chapter and to wish him well. His has been a hard earned rest that comes with the respect of every member of PXL.

Joe, I can safely speak for your fellow officers and brother redshirts in proclaiming a most hearty “Satisfactory!” for all you’ve done for us over the years. We’ll be glad to have the chance to visit with you more at the doin’s now that you’ll be a little less busy, even though you’ve promised to help us out in any way you can.

XNGH-PXP Gene “D.H.” Duncker has graciously allowed us to railroad him into taking over at GDR, while XNGH Dale “Doc” Charter has been bamboozled into taking over at Hawker. So many thanks to them for stepping up; and to all our brothers, please help the “new guys” when and where you can, and don’t forget to thank Gene and Dale when you see them at the Widder’s Ball.

Clampfraternally,

Tim “Ptomaine Ptimbo” Gillespie
