PETER'S PROCS

A SEMI-OCCASIONAL PUBLICATION OF
PETER LEBECK CHAPTER 1866

BY TIMBO GILLESPIE, ACE PROCTOLOGIST

Come get religion, Redshirts!! His Most Reverend Humbuggedness Luis"Vaquero" Bouza has accepted the hospitality of Wes "Preacher" Kutzner and we are going to have a revival, er, Clampout, at Bald Eagle Ranch in Havilah this fall. Great weather is expected, a great place in which to Clamp, a **Friday Night Social Hour**, and all of your redshirted brothers to hang with – time to channel your inner Clamper and hang with the Brethren!

This little retreat in the mountains is a time to **renew** acquaintances, revivify your soul (or soles if have new shoes), **reline** your colon, and **realize** how difficult it is to speak coherently after sampling all those different Yuccas. So come ditch diggers, lawyers, tinkers, tailors, and soldiers! (Spies should stay home). And speaking of soldiers, as always, **PXL's Doin's are free to active members of our armed services.**

So what do we ask of you who aren't active military? **\$55 American. Unless you're a PBC, in which case it would be \$75**, and a bargain at twice the price. So mail your rub by September 17th, or use our website's Paypal link. But either way your dust must be in our hands by September 17th or you'll pay **\$10 more** and be bringing up the rear at the chow line. Speaking of Chow, this Clampout you will have a choice of Steak or Chicken for Saturday night. Be sure to mark your choice on your Registration Form. Remember, our famous feedbag goes on Friday night, and continues through Sunday morning, but we're also BYOB.

Check out the attached flyer and our website for details.

BUT MOST ESPECIALLY FOR...

There is a women's shelter in Bakersfield to which Peter Lebeck Chapter has been donating for many years. We've been providing residents with personal care items that they otherwise wouldn't have. Things like shampoo, powder, hair conditioner, disposable razors, body lotion, etc. give these ladies a sense of worth and dignity. Toys and learning supplies (pencils, crayons, construction paper and the like) also allow the kids some semblance of a childhood. Through no fault of their own, these dispossessed families can certainly use a bit of kindness, and missing a couple of cheeseburgers or a six-pack is not going to cause any of is any harm (except Sawdust – that boy can't afford to miss a meal). Remember the oath you took when you joined this band of miscreant malefactors and help us take care of the Widders and Orphans. But especially the Widders.

DON'T BE AFRAID TO PITCH IN AND HELP

While we strive mightily to ensure that everyone gets fed well and has an awesome time, what would make it even better is if everyone pitches in when it's time to make or break camp. It is true that many hands make light work, but even truer is the fact that the more quickly we get things set up, the more time we have for doing what we came to do – have fun. So please don't be shy about lending a hand when it's time for the grunt work. We're all brothers of the same red mother, and aside from that, you get to work off a cheeseburger or two. The officers thank you.

LAST BUT NOT LEAST

Remember what it means to be a Redshirt. Take the time to visit and BS with some brothers you don't usually hang out with, or a few minutes to encourage a new initiate. We tend to clump together in our own little groups, which is fine, but it is a richer experience for us all when we make the effort to know our brothers better.
