# PETER'S PROCS

A SEMI-OCCASIONAL PUBLICATION OF  
PETER LEBECK CHAPTER 1866

BY TIMBO GILLESPIE, ACE PROCTOLOGIST

**Grab your poles, fishing poles that is, and Come and try and catch a big one, Redshirts!! His Humbuggedness Dale "Top" Turner has secured a clampsite along the shoreline of Brite Lake in Tehachapi.** Fishin', drinkin', chowing down with your fellow Clampers – what say the brethren? Cool weather is expected, a great place in which to Clamp, a **Friday Night Social Hour**, and all of your redshirted brothers to hang with – time to channel your inner Clamper and hang with the Brethren!

This retreat at the lake is a time to **renew** acquaintances, dip your pole or tip a brew or two or both, It's the time to **reline** your colon, and **realize** how difficult it is to speak coherently after sampling all those different Libations at the PXL Tittie Bar. So come ditch diggers, lawyers, tinkers, tailors, and soldiers! (Spies should stay home). And speaking of soldiers, as always, **PXL's Doin's are free to active members of our armed services.**

So what do we ask of you who aren't active military? **\$65 American.** **Unless you're a PBC, in which case it would be \$75,** and a bargain at twice the price. So mail your rub by April 15th, or use our website's PayPal link. But either way your dust must be in our hands by April 15th or you'll pay **\$10 more** and be bringing up the rear at the chow line. Speaking of Chow, this Clampout you will have a choice of Steak or Chicken for Saturday night. Be sure to mark your choice on your Registration Form. Remember, our famous feedbag goes on Friday night, and continues through Sunday morning, but we're also BYOB.

## Grand Council 2017

May 19-21 will take our Noble Grand Humbug Dale "Top" Turner to Grand Council in Sonora, CA. to report on our Chapter. He encourages the brothers of Peter Lebeck to come up and represent us in the Chapter parade.

GC is where the ECV Hawkers around the country gather to share and sell their goods. If you'd like to come and help our hawk Kevn "No Eye" Horton give him a call.

It is a gathering you have to see to believe. But be warned, bring plenty of gold dust because you'll want to buy everything. Additionally, if you decide to camp, please coordinate with the other Clampers going so that we may try to stay together.

## HAWKER'S HACKUPS

Hawkmeister Kevn "No-Eye" Horton continues to find some delectable goodies. T-shirts, pins, and other paraphernalia that Clampers young and old alike just can't live without. Charles's Topping, XXNGH has designed a new PXL belt buckle that sets a standard that puts other ECV buckles to shame. These buckles are a limited edition and are sold on a first come first serve basis. No-eye also has a new line of VooDoo top hats. So while at the doins' be sure to visit the Hawkers Table. No-Eye and principal Hawk Tackles Jim Mann and Kodi Horton are looking forward to taking your gold dust.

**Support Your Chapter and visit the Hawker!**

### UPCOMING EVENTS

The Humbug has announced two overnight Doin's for the year, as well as one plaquing in Bakersfield.. The plaquing will be at the Union Cemetery in Bakersfield honoring Charles Clarence Pierce, a man like most Clampers "Got No Respect".

Following the dedication, we will gather at the Ethel's Old Corral in Bakersfield for libations and a sandwich.

### BUT MOST ESPECIALLY FOR...

There is a women's shelter in Bakersfield to which Peter Lebeck Chapter has been donating for many years. We've been providing residents with personal care items that they otherwise wouldn't have. Things like shampoo, powder, hair conditioner, disposable razors, body lotion, etc. give these ladies a sense of worth and dignity. Toys and learning supplies (pencils, crayons, construction paper and the like) also allow the kids some semblance of a childhood. Through no fault of their own, these dispossessed families can certainly use a bit of kindness, and missing a couple of cheeseburgers or a six-pack is not going to cause any of is any harm (except Sawdust – that boy can't afford to miss a meal). Remember the oath you took when you joined this band of miscreant malefactors and help us take care of the Widders and Orphans. But especially the Widders.

### DON'T BE AFRAID TO PITCH IN AND HELP

While we strive mightily to ensure that everyone gets fed well and has an awesome time, what would make it even better is if everyone pitches in when it's time to make or break camp. It is true that many hands make light work, but even truer is the fact that the more quickly we get things set up, the more time we have for doing what we came to do – have fun. So please don't be shy about lending a hand when it's

time for the grunt work. We're all brothers of the same red mother, and aside from that, you get to work off a cheeseburger or two. The officers thank you.

### LAST BUT NOT LEAST

Remember what it means to be a Redshirt. Take the time to visit and BS with some brothers you don't usually hang out with, or a few minutes to encourage a new initiate. We tend to clump together in our own little groups, which is fine, but it is a richer experience for us all when we make the effort to know our brothers better. So after you are sufficiently lubricated, wander the camp a bit and meet some new brothers until your oil light comes on. If you end up needing a tow back to your camp, we can certainly arrange it. Unless you are a USMC alumnus, in which case you are on your own.

Check out the attached flyer and our website for details.
