## PETER'S PROCS

A SEMI-OCCASIONAL PUBLICATION OF  
PETER LEBECK CHAPTER 1866

BY  
DALE "TOP" TURNER, XNGH / CLAMP CRIER

### A Word from the Humbug Kelvin "Dr. Klapper" Swanson

If you had told me some twenty-five years ago that I would be a Humbug someday I would have just smiled and thought to myself, not likely. I can't begin to tell you all how honored I am to be your Humbug for Clamper Year 6029. We have great things planned for this Clamping year.

My wife Simone and Daughter Stacy had lunch brought in for all the Clampers and Wid- ders to enjoy before the Corporate meeting on Saturday. It was really appreciated by all keeping us from having to go out in the rain for lunch.

The annual PXL Corporation meeting went very well. Top Turner covered our finances and expenditures for 2023 along with reports to the Feds, State and Grand Council.

For those of you who joined us at the Widders Ball it was an event to be remembered thanks in part to my wife Simone and my daughter Stacy and all the Widders who lent a helping hand in transforming the Hospitality Room into a Western Saloon and Dancehall.

The party began on Friday evening with 52 Clampers and Widders in the Hospitality room. We were entertained by the "PXL Pickers" five of our own Clampers. A professional sound system donated by Mike "12 Volt Mazzetti kept the sound at a pleasant level. We listened and danced to songs for the 50's and 60's along many new and old country western tunes.

Following the passing of the Staff of Relief on Saturday night the party kicked off with tunes from the past and between sets we were once again entertained by the PXL Pickers (Michael "Hoss Lowrance, Wayne "Screwball" Edwards, Hollis "Bomber" Dyer, Scott "Capt DEF" Bickle and our own Sonny Anglin one of the remaining members of the Bakersfield Sound. I'd also like to thank Merle "Shaft" Phillips and his Widder Theresa for keeping the bar flowing with ample libations.

The Widders Ball was so great that the attendees asked for a REPEAT performance in 2025.

Our Spring and Fall Doins' are locked in. Take a look at the schedule in this print. Some- thing I have planned to do in my Humbug year was to have an other Oldtimers/ Candlelight initiation. It will be limited to those over 65 and or with a disability. This is going to happen in July 2024.

I'm looking forward to a great Clamper year and with all the great brothers who have stepped up leadership and functionaries positions I know good things are yet to come.

Willow Springs Raceway is going to be a PXL event that will be talked about for years to come. We need to remember that we are guests of the Raceway and although we will have a own secured area we will still be in the watching eyes of the public.

I'll be heading to Grand Council in May to represent the PXL 1866 Chapter. If there is any- thing you would like me to look into just let me or my Vice Rick "Hardluck" Veiga know. Just remember, this is team work and thanks for your support. Looking forward to seeing you all real soon. Kelvin

### BUT MOST ESPECIALLY FOR...

There is a women's shelter in Bakersfield to which Peter Lebeck Chapter has been donating for many years. We've been providing residents with personal care items that they otherwise wouldn't have. Things like shampoo, powder, hair conditioner, disposable razors, body lotion, etc. give these ladies a sense of worth and dignity.

Toys and learning supplies (pencils, crayons, construction paper and the like) also allow the kids some semblance of a childhood. Through no fault of their own, these disadvantaged families can certainly use a bit of kindness.

Remember the oath you took when you joined this band of miscreant malefactors and help us take care of the Widders and Orphans. But especially the Widders.

### DON'T BE AFRAID TO PITCH IN AND HELP

While we strive mightily to ensure that everyone gets fed well and has an awesome time, what would make it even better is if everyone pitches in when it's time to make or break camp. It is true that many hands make light work, but even truer is the fact that the more quickly we get things set up, the more time we have for doing what we came to do – have fun. So please stick around and lend a helping hand.

## Saturday Clamper Get Away

The Clamper Get Away has become a most enjoyable monthly event and has brought ECV Brothers from other Chapters closer together resulting in "Joint Plaquing's" along with plans for a future joint Doins'.

So consider joining us for a brew or two and a great Elks Hot Dog too .

Give Top Turner your Email address and get on the distribution list.

## LAST BUT NOT LEAST

We tend to clump together in our own little groups, which is fine, but it is a richer experience for us all when we make the effort to get to know our brothers better. Remember what it means to be a Redshirt. Take the time to do a "Walk About" and visit other brothers clampsites and sample their libations and snacks .
