### **DIRECTIONS TO THE CLAMPSITE:**

Camp Okihi is located eight miles north-east of Bakersfield on Round Mountain Road. The GPS co-ordinates for the driveway are: 35° 26' 22.35"N at 118° 53' 41.32" W. From China Grade Loop, go east. Take Round Mountain Road, about seven miles through the oilfields. You'll be on the North side of the River the whole way. On your right, you'll see the sign for Camp Okihi, and (hopefully) the PXL sign. You found it!

We've rented an entire city park on the north side of the Kern River for this very special weekend. It's a great location but we've promised to protect the sprinklers, so park your RV off the lawn. There will be a communal fire, but no ground fires or burn barrels will be allowed! Hibachis and BBQ are OK. And don't forget your unique talents are welcome at Friday Night's CLONG Show, and you can show off your tastiest Yucca recipe at Saturday Night Second "1<sup>st</sup> Annual" Yucca-off!

Also, please remember to bring personal items for the ladies and their kids at the shelter. They need soap, shampoo, conditioner, sanitary napkins, combs, brushes, toothpaste, toothbrushes, etc. Some school supplies for the kids would be nice too. It's good for them and good for you! No food items, please.

This important document goes to the Brother at:

“I'll bet those Lebeck boys will have more fun at the River than Huck & Tom”.

**All our Brothers are Invited to Join  
Peter Lebeck for Our Very Special  
Fall 2012 Doin's at Clamp Okihi!**

**Hello Brother, Medium Green Mike here.** I'd like to personally invite you to our very extra special Fall Clampout at **Camp Okihi in Bakersfield, September 28-30**, but since I'd have to make about 250 phone calls before I get to your spot on the phone list, that just ain't gonna happen, Bro'. So please accept this humble little flyer as a very friendly substitute. Believe me; I'll make it up to you later – all you gotta do is catch me. Honest.

**Anyway, this is shaping up to be a Gud-1.** We've incorporated all our latest and greatest elements to bring you **our version of Clampout 2.0**, starting with **Friday Night Din-Din**. Most chapters lets you fend for yourself on Friday, but we're gonna feed you, starting with **Momma Timbo's Pot Roast á la Medium Green Mikee**. We found this ancient, deely Mesoamerican recipe out past where Marie lost her Calendar. It's the stuff for which you'd kill a cow and a Frenchman, but you're lucky 'cuz we've already done it for you. All you gotta do is show up.

**After Friday Dinner get ready for The CLONG Show, our own absurdist talent extravaganza.** Test yourself against the CLONG by telling a joke or story, singing a song or playing an instrument. While we won't be harassing PBCs on Friday Night, embryonic brothers **need** to get ready for the CLONG 'cuz we're sure to make them walk the plank on this one.

Following the CLONG Show we'll have **Brother Russ HOLE's YouTube Videos and sing-along down by the Clampfire**. Add to Russ's selections by bringing your own favorite adult humor on a flashdrive. Share 'em with Brother Hole and if they'll play on Windows Media Player, he'll mix'em in for all to see. Just remember, bawdy is fine, but no porn, religion or politics, please.

**Saturday starts with our Graybeards' Potluck Breakfast.** You contribute the meat, potatoes and the PBCs, and we provide the eggs and the overseers. Some of our Graybeards even know how to cook!

**Last call for PBCs and their sponsors is 8:31 am**, and not just because we need kitchen b\_tches to do the breakfast dishes. A full day of fun, torture and history await each victim, and he won't be disappointed! **Come 3:28 pm, you'll want to attend our famous PBC Interrogations.** Each PBC gets my own personal attention where the better the bribe, the better the mistreatment ... if you know what I mean, Jelly Bean.

**All survivors, including you, get the best Clamp Dinner this side of West Virginia, as Timbo, Smalls and the boys put out the 1 lb RIBEYES!**

**Then get ready for our second "1<sup>st</sup> Annual" Yucca-off!** Prepare your best concoction and put it to the test of our mystery judges and the thirsty Brethren roasting before the Clampfires. **Then get ready for the raffle, 'cuz, who knows? You might even win something.**

**So why is this one so special?**

**Camp Okihi is right on the Kern River** and is one of the most beautiful parks in all of Kern County. It's also very expensive due to increased insurance costs. But rather than go elsewhere we wanted to make this experience accessible to everyone. Okihi is secluded but still close enough to Bakersfield to encourage the most committed couch potato to give Peter Lebeck a try. We're also determined to suck it up and NOT raise our admission for this event, **but we have to have an especially good attendance to make this work. So come on down and join us!**

**RSVP by September 21<sup>st</sup> and save \$10. Remember at PXL it's BYOB -- bring your own beverage.** We have Mixers, sodas and snacks. Prepaid Redshirts are \$50. Prepaid PBC's are \$70. **Nascent Brothers get a \$10 discount on the T-Shirt of their choice – if they survive. See you there!**

## CHAPTER NEWS

**Thanks to all who came out to the Spring Doin's at Inyokern, and congratulations to our host Bobby Daniels who earned his red shirt alongside our new brothers Andrew Castillo, Brian Fox, Scotty Jones, Robert Nolen, Scott Solwick, Dave Staley, and Harris Wood.**

**The first part of the year was a rather lumpy thing.** We had a very successful doin's in the desert, and financially we're doing fine, but the sudden passing of Doc Charter not only left us sad but set us back in the Hawking Department. Also the **Walker Pass Project** hit a lump in the road when the plaque came back from Williams Monument in subpar condition. Well **VNGH Russ "Hole" Chapman** stepped-up to pinch-hit at Hawker, and he even found us a stone mason to fill and lap the Walker Pass Plaque at no charge. At first I considered returning the plaque to Williams for a refund, but given the condition it was in when delivered I was afraid we'd never see the money. **Charles Topping** will be installing Walker's mug at the top of the pass within the next two weeks, and that should be that. **Many thanks again to Humbug Ray Fox and to Platrix #2 for footing half the costs of the Walker Restoration, and to all the Brothers who came up to Walker Pass to help rebuild the monument.**

**Plans for a second and third plaquing are coming quickly into focus but will have to wait for next year.** The first is the **PG&E Hydroelectric Station** at the northern mouth of Kern River Canyon. It dates to 1895. The other is the **Rankin Ranch in Walker Basin** which has been in continuous operation since 1863. We've cleared the regulatory hurdles on the old power station and we've asked PG&E Headquarters to waive its \$1,000 land use processing fee. **Chris Brewer** is setting up talks with the owner of Rankin Ranch which would be a good choice for next fall.

They'll be a **short general meeting at the Fall Doin's** mainly to report on our progress and to cast about for volunteers. This will not be a political meeting. I'm saving that for the end of the year. The Graybeards will

meet separately in executive session to discuss the business mandated by our bylaws. To complain, see me privately after the meeting, please.

**We're often asked about "going up the chairs,"** well I tell guys the key is to help with cooking, set-up, hosting and other mundane chores to show the Brothers that you're willing to pitch in. For instance, one current project is to create a regular crew that knows the set-up and break down of our kit. We also need Brothers who can take turns manning the refreshment center for a few hours at each doin's. If you are interested in helping out please contact "Hole" or our Clamps Hostrix, **Kevin "Yeti" Oviatt**, when you first arrive at Camp Okihi.

**If you're on Facebook don't forget to friend the PXL Facebook Page.** It doesn't replace our website and it doesn't do everything our message board does, but it's a pretty nifty thing to have. The tagged photos and information shared across Facebook do pose privacy issues (great aunt Martha may write you out of her will if she sees pictures of you getting goofy), so if you're not familiar with it, go slow and avoid the apps.

**I'm working on setting up the website and Paypal for our fall sign-up, but I may lag a little bit. Use a stamp, an envelope and a check if you can. It saves us two bucks a head. Otherwise, be patient. -- MGM**
