# PETER'S PROCS

A SEMI-OCCASIONAL PUBLICATION OF  
PETER LEBECK CHAPTER 1866

BY TIMBO GILLESPIE, ACE PROCTOLOGIST

**WHAT HO, REDSHIRTS! Come April 15th, NGH Luis "Vaquero" Bouza,** in scurrilous concert with Greybeards of Peter Lebeck 1866, invite you and all other redshirts of dubious character to join them for their characteristically dubious **6021 Spring Doin's at the "Shit Howdy Ranch" in Walker Basin.** Great weather, a beautiful meadow in which to Clamp, a **Friday Night Yucca-off**, and all of your redshirted brothers to hang with – what more could a feller ask? Not much, we say!

The camaraderie provided by **membership in our Ancient and Honorable Order** is exceeded only by the variety of brothers in it. Your most exclusive country club membership won't get you fed and let you rub shoulders with drain surgeons and brain surgeons at the same table. Remember, the first two letters in eclectic are **EC**. Add a **V** and there you have it! So come ditch diggers, lawyers, tinkers, tailors, and soldiers! (Spies should stay home). And speaking of soldiers, as always, PXL's Doin's are free to active members of our armed services.

So what do we ask of you who aren't active military? **\$55 American.** **Unless you're a PBC, in which case it would be \$75,** and a bargain at twice the price. So mail your rub by April 9<sup>th</sup>, or use our website's Paypal link. But either way your dust must be in our hands by April 9th or you'll pay **\$10 more** and be bringing up the rear at the chow line.

Remember, our famous feedbag goes on Friday night, and continues through Sunday morning, but we're also BYOB. Check out the attached flyer and our website for details.

## BUT MOST ESPECIALLY FOR...

There is a women's shelter in Bakersfield to which Peter Lebeck Chapter has been donating for many years. We've been providing residents with personal care items that they otherwise wouldn't have. Things like shampoo, powder, hair conditioner, disposable razors, body lotion, etc. give these ladies a sense of worth and dignity. Toys and learning supplies (pencils, crayons, construction paper and the like) also allow the kids some semblance of a childhood. Through no fault of their own, these dispossessed families can certainly use a bit of kindness, and missing a couple of cheeseburgers or a six-pack is not going to cause any of is any harm (except Sawdust – that boy can't afford to miss a meal). Remember the oath you took when you joined this band of miscreant malefactors and help us take care of the Widders and Orphans. But especially the Widders.

## DON'T BE AFRAID

While we strive mightily to ensure that everyone gets fed well and has an awesome time, what would make it even better is if everyone pitches in when it's time to make or break camp. It is true that many hands make light work, but even truer is the fact that the more quickly we get things set up, the more time we have for doing what we came to do – have fun. So please don't be shy about lending a hand when it's time for the grunt work. We're all brothers of the same red mother, and aside from that, you get to work off a cheeseburger or two. The officers thank you.

“When those PXL guys get here, there’ll  
be a whole lot of bull tossed around.”

#### **HOW TO GET THERE:**

**From Bakersfield:** Take SR 178 east through Kern River Canyon to the Bodfish/Havilah Exit. Turn right at the bottom of the off-ramp and continue until you dead end at Caliente-Bodfish Road, then turn right again. Follow Caliente-Bodfish Road for about 15 miles, up the mountain past Havilah, until it T-intersects with Walser Road. Turn left onto Walser and follow the asphalt for about 2 miles to Basin Street. Turn right onto Basin. Unhook and go through the cattle gate but make sure to **CLOSE AND HOOK THE GATE BEHIND YOU!** Follow Basin ST to the end, it will curve left and become Redstone AV. Just look for the signs. The Clampsite will be on the right.

**From Mojave or L.A.:** Take SR 58 to the Caliente exit. Go north through Caliente for about five miles until you reach a fork in the Road. The left fork is the Caliente-Bodfish Road. Follow it up the mountain for about 9 miles until you reach the Rankin Ranch, where you'll turn right up Walker Basin Road. Follow that until you come to another Walker Basin Road (not a typo) where you will turn right again. Go to Basin Street and make another right. Unhook and go through the cattle gate but make sure to **CLOSE AND HOOK THE GATE BEHIND YOU!** Basin Street will curve to the left and become Redstone Ave. Just look for the signs. The Clampsite will be on the right.

#### **RULES FOR THE WEEKEND- read & follow them:**

This is a working cattle ranch. **If you open a gate, close it!!!!** Keep your dogs in the Clampsite and away from all livestock. Fires are allowed only if conditions permit, and then only in containers. A phone is available for emergencies but you will be out of cell range so plan accordingly. This is a dry camp, so **bring LOTS of WATER!!!**

**The nearest store is twenty miles away, so bring plenty of stuff and don't forget the coffee, paper towels  
and BEANS!**
