**Here is a little PXL history that
you may find of interest.**

Operation Plaque Rescue

On November 15, 2013 (CY 6018) three Marine veterans and members of E Clampus Vitus conducted a day time recovery mission in the back hills of Arroyo Grande, CA known as the Tar Spring Ranch.

Their objective was remove and secure a Plaque placed and dedicated by De la Guerra Y Pacheco Chapter 1.5 during a Chapter doin's from March 15, 16, 17 1991 (CY 6001).

The rational of the recovery operation was the pending sale of a portion of the property on which the plaque rested. The property was vacant, unsecured and items were being misappropriated.

Fearing that the plaque would fall victim to scavengers and scrap thieves the MARDET/ECV (Marine Detachment /E Clampus Vitus) moved to secure the plaque. It should be noted that these three Marine Clampers are members of a highly trained unit within the MARDET/ECV known as the RECTUM Team (Recon Tactical Undercover Monitoring Team)

The Plaque was recovered without incident, cleaned and secured at an undisclosed MARDET/ECV stronghold.

On May 1,2,3 2014 (CY 6019) during a Peter Lebeck Chapter 1866 doin's the aforementioned plaque was returned to XNGH Charles Topping - Al #VII of ECV 1.5 by Dale Turner MARDET/ECV Team Leader.

The other two members of the MARDET/ECV Recovery Team were Bill Maker and John DuMong.
