During the Spring Doins at Camp Hamilton many Clampers were impressed not only with Camp Hamilton itself but with the Plaque and Red/Black 8' Table on the cement pad Infront of the PXL Plaque.

Camp Hamilton offered the pad, next to our original bench, to the Chapter as **Clamper Territory**. Following raffle this was made known to the brothers. Funds were collected for a round red table to be placed on the newly acquired area. Before the night would end we had a commitment for a total of three round tables. The tables were ordered on 8 June and on 9 June Top Turner and Pokey Crawford went to Camp Hamilton to clean and prepare the slab area for the new tables.

Pictured above is Pokey on prep day one week prior to the arrival of the PXL Table Detail.

The task took its toll on XNGH Pokey as seen in this photo.

Pictured right is the area for the new tables with the POW/MIA tower in the foreground and the original PXL long 8' able.

On 16 June seven PXL Clampers braved the 90+ heat and traveled to Camp Hamilton to assembly the three tables. The **PXL Magnificent Seven** were Kelvin Dr. Klapper" Swanson, Don "Surgeon General" Greenwood, Merle "Shaft" Phillips, Fausto "Tito" Galvan, Jim "Shanker Mechanic" Mann , Mark "Pokey" Crawford and Dale "Top" Turner.

Upon arrival we spotted the pile of boxed tables. We began opening the boxes one by one quickly moving them to a shaded area.

After reviewing the assembly instructions it was decided to put them to the side and start screwing.

The first table took seven of us an hour to get the first table together. It took another 10 minutes to decide who was going to carry the table to the slab area. XNGH's were exempted, **RHIP**. It took 55 minutes each to put the next two tables together. Breaking down the cardboard boxes and packing took over an hour and was handled by Top and Shanker Mechanic.

Camp Hamilton called Top Turner on Friday 17 June to tell him how great the tables looked and to thank all the Brothers of Peter Lebeck Chapter 1866—ECV

The table can also be viewed on the Camp Hamilton Facebook page.
